

Into the Woods
Rehearsal Schedule
November 27 – December 1

We are going to start with the first scene after the prologue and block in order. If you are called but you are in band/athletics, you NEED to get your blocking from Jade or Daily before your next rehearsal. If you are there and not on stage, work together to get me good costume designs. I would like to leave for the break with a plan for everyone's costumes. Mr. Wilemon will be pulling people to sing as well.
