*Thank you so much for auditioning! This process was impossible on me.*

*The first readthrough will happen in my classroom (B5) on Monday from 4 – 5:30.*

*If you see a “U/S” next to your name, that means you are an understudy to that role. It is your job to step in for that person if we need you, so learn those lines in the process.*

*Reminder: if you weren't cast, you can join our research team! You'll still be a part of the process.*
